Galway Girl
Lyrics And Tab
(By Steve Earle)

```
C
Well I took a stroll on the old wild walk
                    F
Of the day -I-ay-I-ay
   Am           G            F          C
I met a little girl and we stopped to talk

Of a fine soft day -I-ay
F               C                 F       C
And I ask you friend, what's a fella to do
           Am         G           F         C
Cause her hair was black and her eyes were blue
       F           C           F        C
And I knew right then I'd be takin' a whirl
           Am      G            F      C
Down the Salthill Prom with a Galway girl

BREAK C - F - C -F -C -G -C -G - C - F - C - G - F - C - G - C - G - C

          C
We were halfway there when the rain came down
                   F
On a day -I-ay-I-ay
          Am      G         F        C
And she asked me up to her flat downtown
On a fine soft day -I-ay
       F         C             F              C
And I ask you friend, tell me what would you do
            Am      G              F        C
Cause her hair was black and her eyes were blue
        F       C          F         C
So I took her hand and I gave her a twirl
        Am       G          F     C
Then I lost my heart to a Galway girl

BREAK - same as above

C                                F
When I woke up I was all alone
        Am      G           F      C
With a broken heart and a ticket home
       F       C             F             C
And I ask you now, tell me what would you do
        Am       G              F        C
If her hair was black and her eyes were blue
             F         C                     F         C
Cause I've travelled around I've been all over this world
             Am          G              F      C
Boys I aint never seen nothin' like a Galway girl

BREAK --- first part twice and then to the F
