Here comes Johnny singing oldies, goldies
Be-Bop-A-Lula, Baby What I Say
Here comes Johnny singing I Gotta Woman
Down in the tunnels, trying to make it pay
G                                  D
He got the action, he got the motion --- oh yeah the boy can play
G                         D
Dedication devotion ---- turning all the night time into the day
                                      A
He do the song about the sweet lovin' woman
           D                    G
He do the song about the knife
           D   A                      G
