F G
You used to laugh about
F G
Everybody that was hangin out
F Em Dm C
Now you don't talk so loud
F Em Dm C
Now you don't seem so proud
F G
About having to be scrounging .. your next meal

C F G C F G
How does it feel ... How does it feel
C F G C F G
To be without a home .. Like a complete unknown
C F G
Like a rolling stone

C Dm Em
Aw, you've gone to the finest school all right, Miss Lonely
F G
But you know you only used to get juiced in it
C Dm
Nobodys ever taught you how to live out on the street
Em F G
And now you're gonna have to get used to it
F G
You say you never compromise
F G
With a mystery tramp, but now you realize
F Em Dm C
Hes not selling any alibis
F Em Dm C
As you stare into the vacuum of his eyes
F G
And say, Do you want to .. make a deal
How does it feel ... How does it feel
To be without a home .. Like a complete unknown
Like a rolling stone

Aw, you never turned around to see the frowns
On the jugglers and the clowns when they all did tricks for you
You never understood that it aint no good
You shouldnt let other people get your kicks for you
You used to ride on a chrome horse with your diplomat
Who carried on his shoulder a Siamese cat
Aint it hard when you discover that
He really wasnt where its at
After he took from you everything .. he could steal

Aw, princess on the steeple and all the pretty people
Theyre all drinkin, thinkin that theyve got it made
Exchanging all precious gifts but youd better take your diamond ring
Youd better pawn it babe
You used to be so amused
At Napoleon in rags and the language that he used
Go to him now, he calls you, you cant refuse
When you aint got nothing, youve got nothing to lose
Youre invisible now, youve got no secrets .. to conceal

Aw, how does it feel ... How does it feel
To have ya on your own ... With no direction home
Like a complete unknown .. Like a rolling stone
