Goodnight

G C  
Up the street beside that red neon light  
G D7/Gb  
That's where I met my baby on one hot summer night  
G C  
He was the tender and I ordered a beer  
G D7/Gb  
It's been forty years and I'm still sitting here

G C  
CH - But you know the sun's settin' fast ...

G C  
It's here I had my babies and I had my first kiss  
G D7/Gb  
I've walked down Main Street in the cold morning mist  
G C  
Over there is where I bought my first car  
G D7/Gb  
It turned over once but then it never went far

G C  
CH - And I can see the sun's settin' fast ...

G C  
I buried my Mama and I buried my Pa  
G D7/Gb  
They sleep up the street beside that pretty brick wall  
G C  
I bring them flowers about every day  
G D7/Gb  
But I just gotta cry when I think what they'd say
